WHEN Monday, April 20,
5:30-7:30 PM

WHERE Cedartown City
Commission Chambers
126 N. Philpot St., Cedartown

CONTACT

Charlie Jones
NW GA Regional Commission
cjones@nwgrc.org

We invite you to participate in a **drop-in style, public workshop** for the Cave Spring to Cedartown Trail Feasibility Study. This project will examine feasible trail connections from Cave Spring to downtown Cedartown and the Silver Comet Trail. The consultant team and local officials will be available to share information, answer questions, and receive public input for the project. The public is encouraged to participate, and may drop in at any time. Please come and share your ideas and vision for the Cave Spring to Cedartown Trail!
