

**THE NORTHWEST GEORGIA REGIONAL COMMISSION

BACKGROUND:

The Northwest Georgia Regional Commission (NWGRC) is administering and implementing the Neighborhood Stabilization Program (NSP3) on behalf of five counties (Bartow, Floyd, Gordon, Walker and Whitfield). The NWGRC Neighborhood Stabilization Program 3 will be administered through May 2014.

One of the activities in this program involves the acquisition, rehabilitation and resale of abandoned and foreclosed properties. These properties must be sold to low, moderate and middle income families whose annual household income is at or below 120 percent of the Area Median Income (AMI). NWGRC anticipates acquiring 8-12 properties in the first round of acquisitions. Subsequent acquisitions will be made with proceeds from sales. Therefore, the number of additional homes to be acquired will depend on the success of the marketing program.

NWGRC is looking to engage qualified lawn care providers to perform lawn maintenance of these properties. This solicitation designed to enable NWGRC to develop a pool of lawn care providers qualified to perform basic lawn care services. For each property, NWGRC will develop a detailed listing of the lawn care services to be performed. NWGRC will award lawn care contract(s) to the lowest bid(s) that is both responsive and responsible. NWGRC reserves the right to reject any or all responses not deemed acceptable.
